Loyalty Programme

Participants

Our Alumni will receive a loyalty bonus certificate, the amount depending on the number of the previous participations in our regular seminars.

Institutions

Organisations and projects that enroll a large number of staff in our seminars can benefit from our special group discount structure. We are pleased to give you more details upon request.

Recognised Training Programmes

SETYM International is a Canadian institute specialising in professional management training. Since 1988, we have been at the forefront of capacity-building in the field of international development.

Our specialised training programmes are officially recognised by the Government of Quebec (Canada) and accredited by SOFEDUC.

Sightseeing Tours

To make the training experience even more enjoyable and foster stronger ties among participants, SETYM organises weekend tours to various locations of interest near the training centres.

Personalised Customer Service

SETYM's dedicated team assists you during your entire stay. They also accompany you on weekend trips and respond quickly and professionally to your every day needs.

A Practice-Oriented and Engaging Andragogy

For almost 40 years, our commitment to excellence and our practice-oriented andragogical approach have set us apart, turning each training session into a welcoming learning experience that fosters skill acquisition and the exchange of experiences among participants.

Training Follow-up

If requested, 3 months after your training, a consultant will contact you for coaching on the issues you will have encountered regarding the application of the newly acquired knowledge in your practice.

High-Quality Training Room

SETYM offers modern training rooms designed to provide the best learning environment for its participants. They are located in the heart of vibrant cities, allowing participants to fully enjoy the chosen destination.

Coffee Breaks and Lunches

At the training centers, snacks, refreshments and lunches are served during class days, free of charge.
